REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Goals and Objectives

Faculty Council, School Improvement Council, PTA and students worked together to establish a clear direction for the 2009-2010 school year. Using the Education Plan of Greenville County Schools as a framework, Oakview sets goals for improvement. Increasing the number of students scoring Exemplary or Met on PASS Math, ELA, Science, and Social Studies represent just a few of the goal areas. Accomplishments for 2009-2010

Students continued to maintain a high level of achievement as measured by test scores. Data from curriculum based instruments were used to evaluate progress at K5 and 1st grade. First grade through fifth grade students were assessed using a variety of instruments including AIMSWEB, ITBS, CogAT, MAP, and/or PASS. PASS results from prior years show Oakview to be performing near the top of the state when compared to schools like ours. In recognition of this continued high achievement, the school received its ninth consecutive Palmetto Gold Award and was recognized for the eighth consecutive year by the SC Education Oversight Committee as a Showcase School for closing the achievement gap for African American students and students on free and reduced lunch. Teachers received over \$4,100 in grant and award money in recognition of innovative teaching strategies. Partnering with PTA, the school installed a playground shade, provided innovative instructional grants for teachers, and purchased handheld devices which communicate with the school's interactive whiteboards! Oakview received a Safe Schools Award for the fifth consecutive year from Upstate Safe Kids. The school continued its efforts to integrate interactive whiteboard technology in all 71 classrooms and instructional spaces. PTA and community members logged 45,951 volunteer hours to support school programs. Oakview's PTA was a state finalist for Unit of the Year by the South Carolina PTA.

Plans for the Future

In preparation for 2010-2011, Faculty Council, SIC, PTA, and students are making plans to celebrate the school's 15th anniversary! With an established Strategic Plan, the school will continue to focus on goals for improved student performance. Together, we anticipate success as we continue fulfilling Oakview's mission!
